Dear Mr Birdsall,

Please excuse my delay in responding to your letter (BL/RD 1-E). I have been away from the office for a couple of months.

No new information will be released on this incident. I have already released everything I know about it.

In response to your second question, we do not have any unknown vehicles stored underground at Bentwaters. Indeed, there are NO underground storage areas on either of the twinbases.

Sincerely,

Victor L. Warzinski
